Evening handoff

Record what actually happens. The example times show how to log a day and are fictional.

Puppy first-day sheet

Completed example with fictional details.

DOG: Example **DATE: Nov 14**

Before the puppy comes in

Put the leash and cleanup kit by the door. Show everyone where the puppy will rest.

After waking

7:10 AM | woke from a nap | went out through the side door | peed.

After eating

7:40 AM | finished breakfast | went to the same spot | no pee. Tried again after settling inside.

After play

9:15 AM | finished playing | went out | peed.

After another nap

10:50 AM | woke up | went out | no pee. Logged it for the next person.

Evening handoff

Partner takes the next trip. The leash is on the hook. Write down what happens.

Record what actually happens. The example times show how to log a day and are fictional.
